ABOUT ME

I am a 21 year old Computer Applications & Software Engineering Student in DCU and searching for a Software Engineering Internship/work placement 30th March – 11th September 2020 I hold a full driver's license and Australian passport making me eligible to work in New Zealand.

SKILLS

Languages I have worked with include: Python (2.7 and 3), Java, HTML, CSS, JavaScript, R, Prolog, MySQL, Assembly (using winmips simulator and SMS32v50 Simulator)

HOBBIES

My hobbies outside of computing include powerlifting, rugby, photography and art.

IT EXPERIENCE

WORK EXPERIENCE • VIRTUAL ACCESS • MARCH 2015

As part of Transition Year work experience, I spent two weeks at Virtual Access Ireland testing the validity of routers among other tasks in the office.

GOOGLE WORKSHOP • SEPT 2019

Selected to attend the google algorithms workshop September 2019. Where we were shown around the offices and worked on different Data Structures and Algorithms using a variety of problems.

EDUCATION

BSC. COMPUTER APPLICATIONS • DUBLIN CITY UNIVERSITY

Currently in third year of degree. Primary focus on data structures/algorithms along with object-oriented programming. Completed Second year with a 2.2.

LEAVING CERTIFICATE • 2017 • ST. MARY'S DIOCESAN SCHOOL

Completed 6 years of schooling with the leaving certificate earning 465 points

PROJECTS

Completed a Shell project creating my own shell program with working commands through python.

Completed a binary search tree project through the language prolog.

Completed a Structured systems analysis and design methodology (SSADM) project for systems analysis showing diagrams and explanations of all stages of the analysis of a company.

EXPERIENCE

BARISTA • RELISH CAFÉ • AUG 2019 - PRESENT

Working as part of a smaller team to provide excellent coffees to customers as-well as greeting, seating, and taking orders from customers.

Working at Relish Café I have enhanced my ability to take initiative, if i noticed something needed to be done (even outside my job description) I am quick to help others or do what needed to be done to provide what was needed to customers

BARTENDER • THE D HOTEL/ THE HOPS BAR • AUG 2018 - AUG 2019

Worked as part of a larger team of employees serving food and drink to both people staying at the hotel and members of the public. Worked over busy Christmas period to bring quality service to customers at functions for over 250 people.

During my time at the D Hotel I developed my leadership skills, for example training up new recruits and setting an example for them to follow by, and also assisting in educating less experienced members of staff in tasks such as coffee or cocktail making, and customer service.

BARISTA • THE BROWN HOUND BAKERY • OCT 2017 – MAR 2019

Worked as part of a small team to produce top quality coffees as well as excellent customer service during busy periods.

During my time at the Brown Hound Bakery I learned skills such as the ability to work and cooperate as part of a team as well as the ability to work under pressure while also producing quality products.
